

Subject: Silent Auction/CASP Annual Fundraising Event

The Canadian Association for Suicide Prevention (CASP) is run by a committed and dedicated group of volunteers and receives no public funding. Every year at our national conference CASP holds a silent auction. This event is our primary fundraising activity for the year and as an organization we rely heavily on the proceeds from this auction to fund our activities for the next year. This year our conference is being held in Brandon Manitoba, October 20 to 22nd. You can help support CASP by donating an item for the silent auction. Art pieces or any other gift that can be easily transported are greatly appreciated. Tax receipts can be issued in the amount for which the item sold at auction. We appreciate your help in providing items for the silent auction. For more information please contact Donna Reid at dreid@klinik.mb.ca or Leanne Brakenreed at leanne@ruralstress.ca. Thank you.

Tim Wall
Executive Director
